Brands

39252 Winchester Rd. • Suite #107-159 • Murrieta • CA 92563

To All My Valued Customers:

After careful testing and analysis of all of my Rainbow's End and Miss Karen's flavors, we are pleased to announce an increase in the shelf life of our flavors after thawing.

The improved thawing procedure will now increase by 7 days. Following are the new recommended thawing instructions.

**To thaw:**

**Refrigerate at 33° to 38° for 72 hours. Use within 14 days from the start of thawing.**

All of our gallon labels and cartons will be updated to reflect this change in our thawing procedure as inventories are depleted.

Please review and should you have any questions or if I may be of any assistance to you, do not hesitate in contacting me.

Your continued business and support of our brands are truly appreciated.

Very Sincerely,

Kenny May  
Vice President of Sales
